COMMENTS:

Applicants submitted an Information Disclosure Statement and prior art references on May 27, 2003. The referenced prior art was submitted in accordance with GB Search Report dated March 24, 2003. After submission of the above referenced Information Disclosure Statement, Applicants became aware of an erroneous identification of prior art (referenced as "WO 99/63686 A1") in the original GB Search Report. An Amended GB Search Report was obtained with the correct prior art referenced as "WO 99/53686 A1." Applicants request the Examiner replace the prior art reference (WO 99/63686 A1) submitted on May 27, 2003, with the prior art reference described on the attached Form PTO-1449. Applicants also attach a copy of the Amended GB Search Report dated March 24, 2003.

The following rights are reserved by the Applicant(s): the right to establish the patentability of the claimed invention over any of the listed documents should they be applied as reference, and/or the right to prove that some of these documents may not be prior art, and/or the right to prove that some of these documents may not be enabling for the teachings they purport to offer.

This statement should not be construed as a representation that an exhaustive search has been made, or that information more material to the examination of the present application does not exist. Any statements or identifications regarding the relevance of any portion(s) of cited references should not be construed as a representation that the most relevant portion(s) have been identified, and the absence of such statements or identifications should not be construed as representations that there are no relevant portion(s). The Examiner is specifically requested not to rely solely on the materials submitted herewith. The Examiner is requested to conduct an independent and thorough review of the documents, and to form independent opinions as to their significance.

It is requested that the information disclosed herein be made of record in this application and that the Examiner initial and return a copy of the enclosed PTO-1449 to indicate the documents have been considered.

Respectfully Submitted,

By:

  
Raymond W. Armentrout
